Distributor's notes

About the Winery:

From the heart of Provence on Julian Faulkners family estate, Jules wines offer quality and originality. The Jules wine collection remains driven by Julian's passion for finding gems in unlikely places and breaking free from the standard categories of price and style.

About the Wine:

A peachy pink with salmon coloured reflections. The nose offers peach, citrus and wild strawberry aromas. The mouth is fresh and endearing with little red berries and citrus (grapefruit and Clementine). This rose offers the aromatic quintessence of Grenache, Cinsault and Tibouren and a careful balance between character and elegance.

About the product

Peach colour with a pale salmon reflections. An exuberant nose of fresh fruit with a dominant citrus character. The mouth is both supple and fresh with a beautiful presence of red fruits in the finish.
