Distributor's notes

About the Winery:

Castello di Poppiano is located in the area of "Chianti Colli Fiorentini" ("Chianti Hills of Florence"). While Chianti Colli Fiorentini "Il Cortile" and "Riserva" DOCG, together with Vinsanto, remain our most traditional wines, innovative works are ongoing and new IGT (Geographic Typical Indication) wines are being produced.

About the Wine:

Great structure and elegant character combined to a pleasant fruity sweetness. A well balanced and harmonic wine with appropriate freshness and mature, velvet tannins. A lingering and intense aromatic finish with fruity flavours of plums mixed to balsamic flavours.
