Alcohol by volume 15.0%

---

### Sizes

#### 750 mL × 12 — BHMC13

Bottles	\$/bottle	\$/case	\$/oz
1	70.00	840.00	2.76
24	65.00	780.00	2.56

---

### Distributor's notes

#### About the Winery:

The MACAULEY VINEYARD label was originally established in St. Helena in the early 1980s by Ann Macauley Watson and for several years produced a very well received late harvest Sauvignon Blanc with help from renowned winemaker, Ric Forman.

In the late summer of 2000, Ann's son Mac went to work for Rudd Estate in Oakville. After several months of winery work and education he was inspired to revive the family label, and, working with winemaker and childhood friend Kirk Venge, crushed his first grapes in October 2001.

Mac and Kirk have one goal: to source the highest quality fruit in Napa Valley and make wines of extraordinary depth and personality. The grapes they choose showcase the terroir of the vineyards and create a remarkable wine-drinking experience.

#### About the Wine:

An orchestra of a vintage — the nose an overture of raspberry preserves, cocoa, and sweet oak vanillin while the the palate offers brooding black cherry, currant and plum notes; The enjoyment is supported with a finely balanced acid and textural tannin that lifts the back palate and resonates for well over a minute.
